

VI. REACTIVITY DATA

Stability: Stable.

Conditions to avoid: Temperatures above 120°F

Compatibility (Materials to avoid): Strong oxidizers.

Hazardous Decomposition Products: Carbon dioxide and water.

HAZARDOUS POLYMERIZATION WILL NOT OCCUR

VII. SPILL OR LEAK PROCEDURES

Steps To Be Taken If Material Is Released Or Spilled: N/A. Do not puncture or incinerate cans. Remove sources of heat, sparks or open flames. Provide adequate ventilation.

Waste Disposal Method: Give large numbers of cans to a disposal company equipped to safely handle pressurized containers.

Follow All Federal, State and Local Regulations Regarding Waste Disposal.

VIII. SPECIAL PROTECTION INFORMATION

Eye protection and protective gloves are recommended any time you work with any concentrated industrial strength products.

Respiratory Protection: Generally not required. Do not use in areas with no ventilation.

Ventilation: Typical room ventilation required.

Protective Gloves: Recommended.

Eye Protection: Safety Glasses required

Other Protective Equipment: Wear long pants and long sleeves.

IX. SPECIAL PRECAUTIONS

Precautions To Be Taken In Handling And Storage: CAUTION: Contents under pressure. Do not store at below 50°F and above 120°F. Do not store in direct sunlight or near heat, sparks or open flame. Do not spray near heat sources, sparks or open flames. Do not puncture or incinerate cans. Avoid contact with eyes.

HMIS/NFPA RATINGS: Health 1 Flammability 4

MATERIAL SAFETY DATA SHEET

NATURALLY PEACH DRY

Description:

An aerosol air freshener/deodorizer

I. SHIPPING INFORMATION

D.O.T. Shipping Name: Consumer Commodity

D.O.T. Hazard Class: ORM-D

D.O.T. ID No: NONE

D.O.T. Label: Not Required

II. HAZARDOUS INGREDIENTS

Material	Weight %	TLV
Propellant is a combination of:		
Isobutane (CAS #75-28-5)	< 30%	1000 ppm
Hexane (CAS #110-54-3)	< 20%	50 ppm
Propane (CAS #74-98-6)	< 30%	1000 ppm
n-Butane (CAS #106-97-8)	< 30%	1000 ppm

III. PHYSICAL DATA

Boiling Point(F°): 1.75°F-159°F

Specific Gravity(Water=1): 0.6

Volatile By Weight(%): 100

Weight Per Gallon(pounds): 5.01

Solubility in Water: Nil.

pH: N/A

Appearance & Odor: A dry aerosol spray with a pleasant peach odor.

IV. FIRE & HAZARD DATA

Flashpoint (Method Used): Propellant -123°F. No flame extension.

Extinguishing Media: Carbon dioxide, dry chemical, foam or water fog.

Special Fire Fighting Procedures: Use shielding to protect firefighters from bursting, rupturing or venting containers. Keep containers cool.

Unusual Fire & Explosion Hazards: Temperatures above 120°F may cause containers to vent, rupture or burst.

V. HEALTH HAZARD DATA

EFFECTS OF OVEREXPOSURE: If sprayed in eyes irritation will occur.

CHRONIC EFFECTS: Chronic exposure may cause liver, kidney and lung damage. Hexane may damage peripheral nerve tissue.

MEDICAL CONDITIONS AGGRAVATED BY EXPOSURE: Respiratory disorders, heart disease.

FIRST AID PROCEDURES:

If Swallowed: Contact physician. NOTE: Swallowing this product is difficult since it is dispensed as a dry spray.

If Inhaled: If a very large concentrations of the product are inhaled, patient should be removed to fresh air. Get medical attention. May irritate respiratory tract.

If in Eyes: Flush eyes immediately with plenty of cool water for at least 15 minutes. Contact physician if irritation occurs.

If on Skin: N/A
